The decision on postponement has been made by the Organizing Committee on the basis of the Registrar, JAU, Junagadh circular dated 16.3.2020 in the light of advisory/guidelines issued by the Government of Gujarat to avoid large gathering of any type as a measure of preventing the spread of COVID-19.

Rescheduled dates will be communicated in advance to all the concerned members/participants. *The deadline for the receipt of abstracts, full length manuscript and award applications has been extended to 31st March, 2020 and there will not be any further extension.* Thereby, we request all to forward your valuable contributions on or before 31st March 2020 for the seminar (Dates will be announced shortly). Those who have already done fee payments and have made contributions need not carry out again. Acceptance letters will be sent again to all concerned once the dates are finalized.

We sincerely thank you for your enormous support and do hope that it will continue to be the same in the future too. On behalf of the organizing committee and on our own behalf, we personally apologize to each and every one of you for any inconvenience. Please do contact us in case of any query in this regard.

Let us stay alert and take all the precautions and together pray as well as wish that our country as well as the world will get rid of this **COVID-19** endemic as early as possible and soon resume to the normal trajectory.

Thanking you,
