Sub: Revision of printing charges and call for Research Paper.....reg

Dear All,

I am very happy to announce that Society of Extension Education, Gujarat has decided the charge of ₹ 1000 per research paper as processing fee for the publication in Gujarat Journal of Extension Education from the December'2020 volume onwards. **No any other printing charge will be collected from members for publication.** Society will send only soft copy of published research papers in Gujarat Journal of Extension Education to the members and also upload full volume of respective year of publication on society website (www.gjoe.org).

The **last date** for the submission of the research papers for Gujarat journal of Extension Education **December' 2020 Volume** is **20th, October'2020**. It was also decided that all members send their research paper through zonal associate editor (See www.gjoe.org).

So, all are requested to give wider coverage of this message of publication to Professors/ Extension Educationists/ scientists/Extension professionals/Students and Members of SEEG in your respective region.

Secretary, SEEG
